7TH FEWCHA MONEY TREE

PRESS RELEASE 29th April 2010

Dorset Council allocated some funds to FEWCHA for the purpose of the group conducting youth grant rounds. Sporting clubs, schools, groups and organisations across the municipality were encouraged to get their young people motivated to apply for things that they thought would benefit other young people. 'By young people for young people' was the key selection criteria.

FEWCHA is pleased to announce that they were able to fund the following groups of young people to help their ideas to become a reality.

Brayden Worker on behalf of the Scottsdale Crows Football Club - \$300 towards new water bottles for the Under 13's.

Catelyn Richards - \$200 toward the cost of being involved in the Make Poverty History Road Trip.

Patricia Barnes on behalf of New Horizons - \$200 to support the activities of the group.

Maddie Tucker on behalf of Party Safe - \$500 toward the cost of holding a movie night during Drug Action Week 2010.

Kelsie Rainbow on behalf of Winnaleah Netball Club Under 15's - \$500 towards the cost of an end of season trip for the team.

Kimberlee Nolan on behalf of Pioneer Junior Arts and Crafts - \$350 towards the cost of purchasing entertainment equipment for the group.

Morgan Barnett on behalf of Bridport Dolphin Guides - \$500 toward the cost of transport to centenary celebration events for Girl Guides Tasmania in Launceston.

FEWCHA received requests for more money than was available and there will be another grant round in the second half of 2010.

ENDS...
